## EDUCATION

---

### Vellore institute of technology

*B. Tech, Computer Science and Engineering - CGPA: 8.97*

Vellore, TN

2023 – 2027

## EXPERIENCE

---

### Junior Core Committee member

July 2024 – July 2025

*Center for social entrepreneurship and development*

*VIT Vellore Club*

- \* Coordinated planning and execution of workshops and events focused on social entrepreneurship and innovation
- \* Collaborated with cross-functional teams to manage logistics, outreach, and participant engagement
- \* Assisted in designing and curating content for entrepreneurship-focused learning sessions
- \* Contributed to ideation and evaluation of student-led social impact projects
- \* Supported core committee members in operational and administrative activities of the club

## PROJECTS

---

### University Website Frontend | *HTML, CSS, JavaScript*

- Recreated the university website frontend using semantic HTML and modern CSS layouts
- Implemented advanced JavaScript for interactive components and dynamic UI behavior
- Focused on responsive design to ensure compatibility across devices and screen sizes
- Improved UI consistency and user experience by closely following real-world design patterns

### Netflix Clone | *React, JavaScript, CSS*

- Built a Netflix-inspired streaming platform UI using React and component-based architecture
- Implemented dynamic content rendering and reusable components for scalability
- Designed a responsive layout closely matching the original Netflix user interface
- Strengthened understanding of React hooks, state management, and frontend performance

## CERTIFICATIONS
